ameli.fr

You are an English speaking person staying for a long or a short period in France :
regarding your situation, we can help you to apply to the French health system.

What is your situation ?

- Are you on holiday ?
- Is your principal residence in France ?
- Are you retired and living in France ?
- Are you studying in France ?
- Are you seconded to France by an EEA company ?

We will advise you on various subjects regarding the French Health system such as membership or how to obtain the carte Vitale. We are trained in European legislation in the health system field concerning pensions, tourist stays, salaried work in France.

We speak English ! Call us on the French Health Insurance Advice Line
